COVID-19 TRAVELING
Recommendations

These are general recommendations for domestic flights. When traveling by air, check if your airline requires any testing, vaccination, or other documents.

1 ARE YOU UP TO DATE WITH YOUR VACCINES?

Check if your destination has specific vaccination requirements. Bring your vaccination card if you have one, either physically or digitally.

WEAR A MASK **2**

It's strongly recommended that everyone aged 2 years or older - including passengers and workers - properly wear a mask in indoor areas of public transportation.

3 DON'T TRAVEL IF YOU HAVE COVID-19 SYMPTOMS

or if you tested positive for COVID-19, are waiting for the results of a COVID-19 test, or had close contact with a person with COVID-19.
BE FLEXIBLE **4**

Prepare to be flexible during your trip as restrictions and policies may change during your travels.

Check out cdc.org to read more about the CDC's travel guidelines.
Visit myturn.ca.gov or call 1 (833) 422-4255 to find a vaccination location near you.

Test
# FOR COVID AFTER YOU TRAVEL

Welcome back!

While traveling, you might have been exposed to COVID-19.

Even if you feel well and are not displaying symptoms, you can still be infected and spread the virus to others.

It is recommended that all returning Travelers...

- Test for COVID-19 upon your return, especially if your travel involved situations with greater risk of exposure such as being in crowded places while not wearing a well-fitting mask or respirator.

- Get testing for a current infection.

- Self-monitor for COVID-19 symptoms.

- Isolate and get tested if you develop symptoms.

- If you test positive or develop COVID-19 symptoms, isolate yourself to protect others from getting infected.
Keeping each other safe is simple.

Visit MyTurn.ca.gov or call (833) 422-4255 to find a COVID-19 vaccine near you.
